The DX-C200 is a 4-in-1 colour MFP that offers a host of productivity features and functionality required by any busy small to medium sized business. With its powerful print, copy, scan and fax capabilities it is ideal for handling the everyday workflow demands of any small workgroup environment, and thanks to its compact design it can fit into any small space. The DX-C200 has an output speed of up to 20 ppm in colour and can produce professional documents on a variety of media. Colour scanning at 1200 x 1200 dpi is standard with scan to email, a folder and FTP to speed up communications. Electronic sorting helps improve productivity and a USB port on the front panel makes scanning to USB easy. Designed with low power consumption, this machine is kind to the environment too and complies with the latest Energy Star criteria.
