German (GDPdU) Fiscal Mode Instruction Manual

1. Activation of the German (GDPdU) Fiscal Mode

The country code "**49**" for the German (GDPdU) Fiscal Mode can be entered at the top of the SRV mode.

1. Enter now in this window the key sequence of:

<p style="text-align:center; color:red;">**49 → • → X → confirmation pop-up window comes up**</p>

2. Press the TL/NS key to confirm **1.OK** in order to change to German (**GDPdU**) Fiscal Mode.
After finishing "PROCESSING" the Cash Register complies now to the GDPdU regulation.

2. Program restrictions after German (GDPdU) Fiscal Mode activation
