The MX-C301W is a 4-in-1 colour MFP that offers a host of productivity features and functionality required by any SOHO, small workgroup and mid or large offices that require a desktop or cabinet-top MFP. Designed to be compact and powerful with features you'd expect to find on an A3 device, such as optional Sharp OSA which enables the MX-C301W to connect with cloud applications – such as Sharp's Cloud Portal Office – optimising workflow and enabling closer collaboration by facilitating file sharing and document management. The MX-C301W has an output speed of up to 30 ppm in both Colour and Black & White, has automatic duplex printing and can produce high quality business documents in 600 x 600 dpi - plus with a 7" LCD touch control panel which can tilt for easy viewing and the dual-component development system it delivers quality that's sure to impress. Full colour network scanning is standard with scan to email, network folder and FTP to speed up communications. Electronic sorting helps improve productivity and two USB ports makes scanning to/direct print from the USB easy. You can also connect the MX-C301W to a wireless network and print wirelessly from your smartphone or tablet. Other useful features include full fax functionality (with PC-Fax and inbound routing for emailing faxes to their correct destination) and ID Card Copy and Business Card copying. The MX-C301W employs Sharp's unsurpassed expertise in security to ensure that data remains safe, no matter who can access the MFP and meets the very latest in high standard security requirements. Designed with low power consumption and a short warm up time, this machine is kind to the environment too and comes with a variety of energy saving features and also complies with the latest Energy Star criteria.
